## Radiohead, True Love Waits

I'll drown my beliefs To have you be in peace I'll dress like your niece And wash your swollen feet

Just don't leave Don't leave

I'm not living I'm just killing time Your tiny hands Your crazy kitten smile

Just, don't leave Don't leave

And true love waits In haunted attics And true love lives On lollipops and crisps

Just don't leave Don't leave
