What are we gonna do?  
Union Union Union City blue  
Tunnel to the other side  
It becomes daylight  
I say he's mine

Oh power, passion plays a double hand  
Union union union city man  
Arrive climb up four flights to the orange side  
Rearrange my mind  
In turquoise Union Union Union City blue  
Skyline passion Union City blue  
Power, passion plays a double hand  
Union union union city man

I say he's mine  
I have a plan  
I say he's my Union City man  
What are we gonna do?
