

# Radiohead, Where I End And You Begin

There's a gap in between  
There's a gap where we meet  
Where I end and you begin  
And I'm sorry for us  
The dinosaurs roam the earth  
The sky turns green  
Where I end and you begin  
I am up in the clouds  
I am up in the clouds  
And I can't and I can't come down  
I can watch and cant take part  
Where I end and where you start  
Where you, you left me alone  
You left me alone  
X'll mark the place  
Like the parting of the waves  
Like a house falling in the sea  
In the sea  
I will eat you alive [x4]  
There'll be no more lies [x4]  
I will eat you alive [x4]  
There'll be no more lies [x4]  
I will eat you alive [x4]  
There are no more lies [x4]  
I will eat you alive [x3]
