

Radiohead, Yes I Am

I resent you calling
I resent your voice
I resent that I don't have a choice

Anywhere I go
You are always there
Outside the car
Or in my hair

I think I've been here before
Yes I've been here before
The last time you locked
All the doors

And I resent you calling
I resent your voice
I resent that I don't have a choice

And yes I am wary
Yes I am..

I think I've told you once
I think I needed advice
You were such a help
That's very nice

I think I've been here before
Yes I've been here before
But this time I kick
Down your door

And yes I am wary
Yes I am wary
