

Radiohead, You

You are the sun and moon and stars, are you
And I could never run away from you

You try at working out chaotic things
And why should I believe myself, not you?

It's like the world is going to end so soon
And why should I believe myself?

You, me and everything caught in the fire
I can see me drowning, caught in the fire

The earlier version finishes with the following:
Hey the sun and moon and stars are yeah..
But I won't share myself with you
You to me
