

# Raffi, Every Child

Every Child

Words and Music by Raffi and Michael Creber

1995 Homeland Publishing

Every child, every child, is a child of the universe  
Here to sing, here to sing, a song of beauty and grace  
Here to love, here to love, like a flower out in bloom  
Every girl and boy a blessing and a joy

Every child, every child, of man and woman-born  
Fed with love, fed with love, in the milk that's mothers own  
A healthy child, healthy child, as the dance of life unfolds  
Every child in the family, safe and warm

bridge:

Dreams of children free to fly  
Free of hunger, and war  
Clean flowing water and air to share  
With dolphins and elephants and whales all around

Every child, every child, dreams of peace in this world  
Wants a home, wants a home, and a gentle hand to hold  
To provide, to provide, room to grow and to belong  
In the loving village of human kindness
