

# Rafo Raez, Mam

La venganza ya pas&acute;;  
sin la esperanza se aburri&acute;;  
Su sola panza la cans&acute;;  
su adivinanza se pudri&acute;;

Por eso digo...

La venganza y la esperanza estn muertas!  
S&acute;;lo te quedan tu pene, tu culo, tu vagina!

Por eso digo...

Mamferos, somos y fuimos mamferos!

Y moriremos mamndonos

Como dos enamorados

&lt;/lyrics&gt;

==Translation==

&lt;/lyrics&gt;

Revenge is already gone  
without Hope, it got bored  
Just its belly tired it  
her riddle rotted

That's why I say

&quot;Revenge and hope are dead!&quot;

&quot;There's only left for you your penis, your ass, your vagina!&quot;

That's why I say

&quot;Mammals, we are and were mammals!

And we'll die sucking each other

as two lovers
