

# Rage, Chaste Flesh

Sweet childlike lady  
You stir me up  
The time is coming  
To warm up your ass  
I've got the number  
And when it's night  
I'll come to screw ya  
I'll tear you right

Now we're together  
Delightful feast  
You are a virgin  
I am a beast

Chaste flesh - I'm gonna change it  
Chaste flesh - I can arrange it  
Chaste flesh - lay down or die  
Chaste flesh now obeyhorus

She's coming nearer  
Oh, if she knew  
She's so wanton  
Genuine and new  
My body's hungry  
Sweating in heat  
I'm gonna give her  
My rod of meat

Chaste flesh - I'm gonna change it  
Chaste flesh - I can arrange it  
Chaste flesh - lay down or die  
Chaste flesh now obeyhorus

Biting, scratching - baby you unchain my lust  
Howling, growling - when will you unchain my lust

Chaste flesh - I'm gonna change it  
Chaste flesh - I can arrange it  
Chaste flesh - lay down or die  
Chaste flesh now obeyhorus
