

# Rage, French Bourree

I wanna go, long time ago  
It was the time when all the ladies used to show  
They saved a dance for their heart's gentleman  
They're waiting for the time and saved the day  
For the french bourree  
Give me a sign, a single sign  
So I'll be waiting here until you will be mine  
I wanna know, you let the other go  
Then come along and dance with me today  
To the french bourree  
And if you let me in your heart  
I will find a start  
Take a chance on me, wait and you will see  
You and me, it's gotta be  
Let me win your heart with a bourree
