Rage, French Bourree (Bonus Track From Digi-P

I wanna go, long time ago It was the time when all the ladies used to show They saved a dance for their heart's gentleman They're waiting for the time and saved the day For the french bourree

Give me a sign, a single sign So I'll be waiting here until you will be mine I wanna know, you let the other go Then come along and dance with me today To the french bourree

And if you let me in your heart I will find a start Take a chance on me, wait and you will see You and me, it's gotta be Let me win your heart with a bourree

I wanna go, long time ago
It was the time when all the ladies used to show
They saved a dance for their heart's gentleman
They're waiting for the time and saved the day
For the french bourree

And if you let me in your heart I will find a start Take a chance on me, wait and you will see You and me, it's gotta be Let me win your heart with a bourree
