

Rainbirds, In Love And Alright

when i'm in love i hear: no
when i'm in love i hear : no
somewhere in the back of my head
i hate myself instead
somewher in the back of my mind
i stomp my feet and i am so unkind
when i'm in love i hear: no
i gotta fight - uhm
i gotta fight - uhm
i gotta fight - uhm
for being in love and alright

when i'm in love i hear: no
when i'm in love i hear: no
somewhere in the back of my head
i hate myself instead
something in the back of my heart
is tearing me apart
i gotta fight - uhm
i gotta fight - uhm
i gotta fight - uhm
for being in love and alright
for being in love and alright
for being in love and alright
