

# Rammstein, Jeder Lacht (Translation)

Nothing is for you  
Nothing was for you  
Nothing remains for you  
Nobody needs you  
Ha ha ha ha

Everyone is laughing  
Everyone is laughing - yeah  
Everyone is laughing  
at you

Nobody stands you  
and no one needs you  
Nobody needs you  
but everyone needs me  
Ha ha ha ha

Everyone is laughing  
Everyone is laughing - yeah  
Everyone is laughing  
at you
