All the girls chase him coz he's too hotty
Number 2 is Marco the best of the best
His true sport skill has been put to the test
Sam Motto is number 3

He's the only one with his bike lock key
And Ryan is at number 4
He can swim as fast as he can soar

We have no time for choreography
It's f**king pointless like geography
Just take a look back at my history
The only good thing in this world is graffiti
If you don't like the rap clan that falls
You can just go and suck our balls
So you should be in the rap clan it for your own good
Yeah that's right it's for your own good MOTHER F**KER!
