

# Rasmus, Someone Else

She drinks the blood of the dinosaurs to get her powers back  
to make her boyfriend understand  
That things are not what they used to be  
She doesn't have a plan  
to make her boyfriend understand  
Through the gates of insanity on the edge of humanity  
She's gonna make her dreams come true  
Through the gates of insanity on the edge of humanity  
She's gonna make her dreams come true

That she belongs to someone else  
That she belongs to someone else

To someone else, to somebody else

She's found something to die for  
Something to fight for  
Someone to show her the way  
She's found someone to cry for  
Someone to lie for  
Heart full of blood of the dinosaurs

Now she belongs to someone else
