

Raving Rabbids, Making Fun (Of Everyday Life)

One, two, three!
All right!

That's the way our beat goes on
Insane bunnies all around
Crazy rabbids jump inside
Making fun of everyday life.
Of everyday life!

Everyday life! Everyday life!
Everyday life! Everyday life!
Everyday life! Everyday life!
Everyday life!

Let's go crazy, hysterical
Mad mad always, deed and more
Come on bunnies, just for a ride
Making fun of everyday life.
Of everyday life!

Everyday life! Everyday life!
Everyday life! Everyday life!
Everyday life! Everyday life!

Rappin' rabbids around the bend
Jumpin', runnin', the bunnies trend
Let's dance crazy, let's go high
Making fun of everyday life.
Of everyday life.
Of everyday life.
Of everyday life!

Everyday life! Everyday life!
Everyday life! Everyday life!
Everyday life! Everyday life!
Everyday life! Everyday life!

Feelin' jiggy, you're feeling the change
Come on everybody, you're still in the game
Insane inside, never watch out
Making fun of everyday life.
Of everyday life!

Making fun, of everyday life, making fun.
Making fun, of everyday life, making fun.
Making fun, of everyday life, making fun.
Making fun, of everyday life, making fun.
Making fun.
