

Ravit Sahar, If you ever come back

Two days to stumble
Two days to starve
Two days to see if we fell out of love
Two days of silence
Two days of tears
The darkness will show us
A way out of here

You won't be here
To collect my mistakes
Two days to float in a sea of illusions
Hovering naked
Between caging walls
Stretching my boundaries
Don't care if I fall

And when you come back to me
What will you find?
What will you find?
What will you find?
An emotional wreck
Or a girl in denial?
(What will you find?)

Two days to harvest
Two days to clean
Two days to face
Our doubts and our fears
When you are gone
I'll be able to listen
to what you were saying to me all along

And when you come back to me
What will you find?
What will you find?
What will you find?
An emotional wreck
Or a girl in denial?
What will you find?
An emotional wreck
Or a girl in denial?
What will you find?
The woman you loved
Or a heart broken wife
What will you find?
If you ever come back...
