

Ray Charles, Because I love you

Got your letter
From the postman just the other day
So I decided to write you this song
Just to let you know
Exactly the way I feel
To let you know my love's for real
Because I love you
And I'll do anything
I'll give you my heart, my everything
Because I love you
I'll be right by your side
To be your light, to be your guide
If you should feel
That I don't really care
And that you're starting to lose ground
Just let me reassure you
That you can count on me
And that I'll always be around
Because I love you
My heart's an open door
Girl, won't you please come on in
Because I love you
I'll be right by your side
To be your light, to be your guide
Because I love you
I'll be right by your side
To be your light, to be your guide
