One-a these days an' it won't be lo-oong
You gonna look for me, n' I'll be gone

Now you know I believe baby, now
(I believe, yes I believe)
Oh, alright baby, now
(I believe, yes I believe)
I want ya to know baby, now
I believe to my soul, yeah
Well, you're tryin' to make a fool of me, alright
(I believe it)
Yes I do, baby
(I believe it)

You're goin' 'round here with yo' head so hard
I think I'm gonna have-ta use my rod

You know, I believe oh baby, now
(I believe, yes I believe)
Well, well, well, well, well
(I believe, yes I believe)
I want ya to know today, baby
I believe to my soul, yeah
Whoa, tryin' to make a fool of me, alright
(I believe it, I believe it)

What are you doin' girl?
(I believe it, I believe it)

Last night you were dreamin', an' I heard you say
(‘Oh Johnny!’)
Mmm, when you know my name is Ray

Oh, I gotta believe, ooh baby
(I believe, yes I believe)
Well, well, well, well, well now
(I believe, yes I believe)
Let me tell ya now, baby
I believe to my soul, alright darlin'
Well, tryin' to make a fool of me, alright now
(I believe it)

Yeah!
(Whoa-oh)
