

Ray Charles, Just A Little Lovin' (Will Go A Long Way)

Just a little lovin, yeah
Will go a long way
Well you made me happy
The rest of my days
Why don't you put your arms around me,
And I'll be your slave
Cause just a little lovin will go a long way
Ever since time began love has ruled the world
Even adam set the pace and started it a whirl
I met you and now I know you're the girl for me
Why don't you come on home and you'll plainly see
That just a little lovin
Will go a long way
And you make me happy
The rest of my days
Why don't you put your arms around me
And I'll be your slave
Cause just a little lovin
Will go a long way
I don't believe you really know how much I love you
If you did you'd come on back and make my dreams come true
Your eyes, your lips, your lovin kiss seem to linger here
Well you'll forgive but please don't forget that just a little lovin
Will go a long way
Well you make me happy girl,
The rest of my days
Why don't you put your arms around me yeah
And I'll be your slave
cause just a little lovin
Will go a long way
