

Ray Charles, Love Is Here To Stay

It's very clear, our love is here to stay.
Ahhh, not for a year. But, ever and a day.
The radio and the telephone and the movies that we know,
may just be passin' fancy's anytime they go...

Uh, but uh, wait a minute darlin'. Our love is here to stay.
Ahhh, together we're - Mmm hmm - we're goin' a long, long way
In time The Rockies may crumble - Gibraltar may tumble.
They're only made of clay.
But, our love is here to stay...

But, Ooooh my dear, our love is here to stay.
Ahhh, together we're - goin' a long, long way.
In time The Rockies may crumble and that Gibraltar may tumble.
They'e only made of clay.
But, our love is here to stay.
(You better believe it darlin'. I'm tellin' you like it 'eye ess.' Oh!)
Our love is here to stay...
