

Ray Charles, Spirit In The Dark (Reprise)

I'm gettin' the spirit in the dark
I'm gettin' the spirit in the dark
People movin', oh people groovin'
They're gettin' the spirit in the dark

Tell me sister, how do you feel?
Tell me my brother brother brother, how do you feel?
You feel like dancin', get up and let's start dancin'
Start gettin' the spirit, the spirit in the dark

(*)
It's like Sally Walker, sittin' in a saucer
That's how you do it, ain't nothin' to it
Ride Sally ride
Put your hands on your hips, cover your eyes
And move, move with the spirit
Oh yeah move, move with the spirit
Oh move, move with the spirit now now now
Move, with the spirit

How you're gettin' the spirit, I've been gettin' in the dark
I wonder how you're gettin' the spirit, gettin' the spirit in the dark
People movin', yeah everybody's groovin'
Just gettin' the spirit, how you're gettin' it how you're gettin' it in the dark

(repeat *)

(chorus: I think I've got it! & amp;adlib to "move with the spirit")
