

Ray Charles, Teardrops From My Eyes

Every time it rains
I think of you
And that's the time
I feel so blue
The rain starts to fall
Across my windows pane
But it's raining teardrops
From my eyes
If you see tears
Here in my eyes
It's just because
You said goodbye
So baby won't you hurry
Because I love you so
And it's raining teardrops
From my eyes
Remember the night you told me
Our love would always be
I wouldn't be sad and lonely
If you were here with me
Every single cloud
Would disappear
I'd wear a smile
If you were here
So baby won't you hurry
Because I love you so
And it's raining teardrops
From my eyes
