

Ray Charles, The Danger Zone

Sad and lonely all the time
That's because I've got a worried mind
You know the world is in an uproar
The danger zone is everywhere, everywhere
Just read your paper
And you'll see
Just exactly what keeps worryin' me
Yeah, you'll see the world is in an uproar
The danger zone is everywhere
My love for the world is like always
For the world is a part of me
That's why I'm so afraid
Of the progress that's being made
Toward eternity
Every morning, noon, and night
Finds me hoping that everything's alright
Mm-hmm, the world is in an uproar
The danger zone is everywhere
