

# Ray Charles, What Would I Do Without You?

What Would I Do (Without You)  
(Candy and flowers)  
For my Valentine  
(Minutes and hours)  
You stay on my mind  
(Romance and love songs)  
I'm down on my knees  
(Promise me you'll belong)  
Oh to only me

But that's just a start  
What I'm trying to say  
I'd give you my heart  
But it's yours anyway

CHORUS:

What would I do without you  
To me you're the meaning of  
The meaning of love  
And I'll always be true  
Forever with you  
It just isn't long enough  
What would I do  
Without You  
(I love only you)  
And nobody else  
(With feelings so new)  
Like I've never felt

Aw, get all closer to me  
(Cause you understand)  
How true love should be

But that's just a start  
What I'm trying to say  
I'd give you my heart  
But it's yours anyway

CHORUS:

What would I do without you  
To me you're the meaning of  
The meaning of love  
And I'll always be true  
Forever with you, yeah  
It just isn't long enough  
What would I do  
Without.....

Your kisses and your tender touch  
I love you I love you I love you so much  
Baby there's something I want you to know  
I'm gonna die if you ever go

(guitar solo)

CHORUS:

What would I do without you  
To me you're the meaning of  
The meaning of love  
And I'll always be true  
Forever with you

It just isn't long enough  
What would I do  
Without You  
What would I do without you  
To me you're the meaning of  
The meaning of love  
And I'll always be true  
Forever with you  
Forever's not long enough  
What would I do  
Without You  
What would I do (yeah)
