

Ray J, Raydiation Intro

[Beat]

Yea welcome to my life (raydiation)

city of carson thats where i grew up (yea)

thats where i knew of (the view) thats all i knew of (yea)

in kindegarten until i got out of skoo i started to hang with the fools i went from here to bad news.

then ma sister started to blow up i saw the money just go up but i hardly saw her and my mother i u

hang round the corner i felt like i was a loner but i got love for my homies

i started changin flirtin with gang bangin had the hook up on ol' skoo so everyday i was out hangin

then i heard gun shots they aimin at my head and thats when the fun stopped cuz next i might be d

called my mama on the phone said this is your son i need some help im in a whole lot of trouble an

get through by myself they shot out a plane and flew me out no doubt i said goodbye to my friends

disappeared in the clouds they told me ray j you gotta turn yourself around now or throw it all away

lay six feet in the ground

im totally focused i gotta move forward i hear my callin this time i just wont ignore it into the future

throw all the past and then you came and you can grow....
