Ray J, U Need It/U Don't

Verse 1

Good plan to be successful in the game

U need it

But liars, snakes and fake friends

U don't

Banking safe, stash your money

U need it

20 cars, 20 cribs, 20 kids

U don't

Get the power while you can

U nees it

Concieted wannabe body guards

U don't

Coz man I dun seen the biggest niggas get beaten

But a artist get mugged, shot up and skunked

Verse 2

You should get a box of glocks

U might need it

But west automatics that jam

U don't

Streets smarts and a cool education

U need it

Ditching school n getting laid and not paid

U don't

Ma- braveheart and down for whatever

U need it

But thinking like a coward being scared

U don't

You always run to your family when things get low

When your friends that was friends, isn't friends no more

Chorus x2

U need it

U need it, U don't don't don't

Verse 3

A new way of living your life

U gon need it

The 19th hundred lifestyle

U don't

An attourney that'll get you out of problems

U need it

strikes and 25 to life

U don't

Buy some things to make you happy

U need it

Buying too much n going bankrupt

U dont

Coz man I dun seen the biggest ballers (mistreated)

So broke they had 2 come ask me ??

Verse 4

Got a good idea write it down

U need it

Wasting time gettin loaded in the club

U don't

Listen up forget the luck man, make it for real and never will jus be about ice glistening up

Save a couple of bucks

U gon need it

But friends that set a day n go to the mall man

U don't

I remember all the night I was off the ?? Just think of how fast all my dogs was gone

Chorus x2

Verse 5 Your own business to do business U need it But a boss that won't let u be creative U don't Place to get away and jus relax U need it Locked up for the petty crime you did U don't Something to get you going to feel good U need it Don't be stupid though ,every drug U don't Coz you don't wana be the next rich kid od-ing I don't that's why i won't Yo I stay working Yo I get paid working I can go to parties and still get laid working Like car-cop and like R.Jerkins With all the cars he needs I no I don't

Verse 6
He be in the lab making hits
U need it
But wastin the talents that you got
U don't
It's funny how life jus changes on you
When your so-called friends become strangers to you

Chorus fade
