

Ray Price, Still

Still though you broke my heart still though we're far apart I love you I love you still
Still after all this time still you're still on my mind I love you baby I love you still
I've lost count of the hours and I've lost track of the time
I've lost everything I had baby and I nearly lost my mind
Still though you broke my heart still though we're far apart I love you I love you still
Still after all this time still you're still on my mind I love you oh I love you still
[ac.guitar]
Well still though you broke my heart...
