

RBD, Family

No matter what you need from me
You know you got it
If I can give you anything
You know you got it

You can call me any moment
If you need some love
I'll be there
I'll be there
I'll be there

If something is broken in your heart
You know I'll fix it
I'll never gonna let you down
You know I mean it

You can call me any moment
If you need some love
I'll be there
I'll be there

Cause we'll always be family
You've got a friend in me
Family
I'm in your destiny
I'll be aroud
No matter how
I'll be there
I'll be there for you

If you just want to run away

I'll drive you anywhere
If I'm the pill to ease your day
I'll be there everyday

You can call me any moment
If you need some love
I'll be there
I'll be there

Cause we'll always be family
You've got a friend in me
Family
I'm in your destiny
I'll be aroud
No matter how
I'll be there
I'll be there for you

You can call me any moment
If you need some love
I'll be there
I'll be there

Cause we'll always be family
You've got a friend in me
Family
I'm in your destiny
family
You've got a friend in me
