

# Real Thing, Lady I Love You All The Time (1978)

Everywhere I go, your smiling face keeps haunting me  
Lady don't you know there is no face I'd rather see, smiling at me  
And as my love grows stronger girl I need you more and more  
I guess at last I've found the love my hearts been looking for

Lady I love you all the time, you're such a special part of me  
You touch my soul so tenderly  
Lady you're alway on my mind, that's where I long for you to be  
You feel so warm inside of me  
So hold me tight  
Love me right

There's something about you girl, that keeps on coming back to me, oh yeah  
Without you in my world, I'd lose my was so hopelessly, where would I be  
It feels so good to hold you girl, you take my breath away  
Right here is where I want to be, and all I want to say, is

Lady I love you all the time, you're such a special part of me  
You touch my soul so tenderly  
Lady you're alway on my mind, that's where I long for you to be  
You feel so warm inside of me  
So hold me tight  
Love me right

Lady I love you all the time, you're such a special part of me  
You're such a special part, you touch my soul so tenderly, don't leave my heart  
Lady your always on my mind, I love you, that's where I long for you to be  
That's where I want to be, so warm inside of me  
Lady I love you all the time, you're such a special part of me  
So glad I found you, you touch my soul so tenderly, I want to be around you  
Lady your always on my mind, on my mind, that's where I long for you to be.....
