

# Real Thing, You To Me Are Everything

Oh, I would take the stars out of the sky for you  
stop the rain from falling if you ask me to  
I'd do anything for you, your wish is my command  
I could move a mountain when your hand is in my hand

Oh, words can not express how much you mean to me  
there must be some other way to make you see  
If it takes my heart and soul, you know I'll pay the price  
Everything that I possess I'd gladly sacrifice

Oh, you to me are everything  
the sweetest song that I can sing  
oh baby, oh baby  
To you I guess I'm just a clown  
who picks you up each time you're down  
oh baby, oh baby  
You give me just a taste of love  
to build my hopes upon  
You know you've got the power girl  
to keep me holding on  
Oh, now you've got the best of me  
come on and take the rest of me, oh baby, yeah, oh

Oh, when you're close to me we seem so far apart  
Maybe given time you'll have a change of heart  
If it takes forever girl then I'm prepared to wait  
The day you give your love to me won't be a day too late

Oh, you to me are everything  
the sweetest song that I can sing  
oh baby, oh baby  
To you I guess I'm just a clown  
who picks you up each time you're down  
oh baby, oh baby

You give me just a taste of love  
to build my hopes upon  
You know you've got the power girl  
to keep me holding on  
Oh, now you've got the best of me  
come on and take the rest of me, oh baby, yeah

Oh, you to me are everything  
the sweetest song that I can sing  
oh baby, oh baby  
To you I guess I'm just a clown, I'm just a clown  
who picks you up each time you're down  
oh baby, oh baby

Oh, you to me are everything  
the sweetest song that I can sing  
oh baby, oh baby, baby  
To you I guess I'm just a clown  
who picks you up each time you're down  
oh baby, baby, oh baby, oh yeah

You to me are everything  
the sweetest song that I can sing  
oh baby, yeah, oh baby, baby  
To you I guess I'm just a clown  
who picks you up each time you're down  
oh baby, you know it, oh baby, baby

You to me are everything  
the sweetest song that I can sing  
oh baby, oh baby  
To you I guess I'm just a clown  
who picks you up each time you're down  
oh baby, oh baby
