## Reba McEntire, Before I Met You

(Charles L. Seitz/Joe Lewis/Elmer Rader)

Well I thought I had seen good looking men in my time That was before I met you And I never saw one that I wanted for mine But that was before I met you

Well I thought I was swinging the world by the tail I thought I could never be blue I thought I'd been kissed And I thought I'd been loved But that was before I met you

Well I wanted to ramble and always be free That was before I met you And I said that nobody could ever hold me But that was before I met you

Well I thought I was swinging the world by the tail I thought I could never be blue I thought I'd been kissed And I thought I'd been loved But that was before I met you

I thought I'd been kissed And I thought I'd been loved But that was before I met you Darling that was before I met you
