

# Reba McEntire, Forever Love

(Liz Hengber/Deanna Bryant/Sunny Russ)

The first time I laid my eyes on you I knew.  
We'd spend this life side by side.  
I still feel the same though you're so far away.  
I swear that you'll always be my.

Forever love.  
I promise you.  
Someday we'll be together.  
Forever love.  
I won't give up.  
No matter what.  
I'll be waiting for you.  
Forever love.

Minutes and hours and years may go by.  
But my heart knows nothing of time.  
So don't cry, just keep me right there.  
In your dreams.  
And hold on to these words of mine.

Forever love.  
I promise you.  
Someday we'll be together.  
Forever love.  
I won't give up.  
No matter what.  
I'll be waiting for you.  
Forever love.

Love is the road to our destiny.  
Nothing can change what is meant to be.

Forever love.  
I promise you.  
Someday we'll be together.  
Forever love.  
I won't give up.  
No matter what.  
I'll be waiting for you.  
Forever love.
