Reba McEntire, I Got The Sun In The Morning (A

[Performed live on the Rosie O'Donnell show
sung by Reba McEntire as Annie Oakley]

[Rosie:]
"Who could be a more perfect fit than Reba McEntire playing Annie
Oakley on Broadway. Here to perform "I Got The Sun In The Morning", please
welcome the amazing, multi-award winning Reba McEntire and the cast of
Annie Get Your Gun.

[Reba:]

Got no diamonds, got no pearls
Still I think I'm a lucky girl
I got the sun in the morning and the moon at night

Got no mansion, got no yacht
Still I'm happy with what I got
I got the sun in the morning and the moon at night

Sunshine gives me a lovely day
Moonlight gives me the Milky Way

Got no checkbooks, got no banks
Still I'd like to express my thanks
I got the sun in the morning and the moon at night

And with the sun in the morning and the moon in the evenin'
I'm all right

[Tempo picks up]

Got no silver, got no gold
What I got can't be bought or sold
I got the sun in the morning and the moon at night

(She's got the sun in the morning and the moon at night)

Sunshine gives me a lovely day
Moonlight gives me the Milky Way

Got no eirlooms for my kin
Never will, but when I cash in
I'll leave the sun in the morning and the moon at night

(She'll leave the sun in the morning and the moon at night)

[Tempo slows]

And with the sun in the morning and the moon in the evenin'
I'm all right

[Very fast tempo]

"Hoe-down! Yee-haa! Woo-hoo! haha! Hee Yaa! Oooh!"

Got no diamonds, got no pearls
Still I think I'm a lucky girl!

Got no butler, got no maid
Still I think she's an overpaid!

Hahahahah!

Got no silver, got no gold * What I got can't be bought or sold

Woo-hoo-hoo

Got no mansion * Got no yacht * Still I'm happy with what I got

I got the sun in the morning and the moon at night

Sun in the morning the moon at night

And with the sun in the morning and the moon in the evening

We're all right!!!

Sun in the morning and the moon at night!

[Rosie:]
Oh my God! I can't wait to see that! More with Reba McEntire right
after this - don't go away!
