Reba McEntire, I Was Glad To Give My Everythir

(Ruby Hice/Danny Hice)

Oh I know it's hard for you to say it's over Well it's twice as hard for me to let you go Out there I hope you find a softer shoulder But before you leave there's something you should know

I was glad to give my everything to you Yeah we almost made our every dream come true And though we didn't have the chance to see it through I was glad to give my everything to you

Oh you say you need a little room for breathing Somehow I guess you know I'd understand And though you're hurting me I still can't help in believing I'd be glad if I could do it all again

I was glad to give my everything to you Yeah we almost made our every dream come true And though we didn't have the chance to see it through I was glad to give my everything to you

Oh I was glad to give my everything to you
