

Reba McEntire, Mind Your Own Business

[Hank:]

If the wife and I are fussin', brother, that's alright
'Cause me and that woman bought a life of good fights
Why don't you mind your own business
Mind your own business
'Cause if you mind your business
Then you won't be mindin' mine

[Reba:]

Oh, the man in the apartment, he's a nosy thing
He comes to my door and it's a ring, ring, ring
You, mind your own business
Hey - won't you mind your own business
'Cause if you mind your own business
Then you won't be mindin' mine

[Tom:]

Yeah, I got a little girl, wears her hair up high
The boys all quiver when she walks by
You better mind your own business
Yes, mind your own business
If you mind your own business
Then you won't be mindin' mine

[???:]

Mindin' other people's business seems to be high
I got all that I can do, I'm mindin' my own
Why don't you mind your own business
Mind your own business
'Cause if you mind your business, you won't be mindin'
mine

[Willie:]

I may tell a lotta stories that may not be true
But I can get to Heaven just as easily as you
So, won't you mind your own business
Mind your own business
'Cause if you mind your business
Then you won't be mindin' mine

[Hank:]

Hey, if I wanna honky-tonk around to two or three
Baby, that's my headache - don't you worry about me
Just mind your own business
Mind your own business
Well, if you mind your business
You'll be busy all the time
