

Reba McEntire, My Turn

(Len Chera/Jay Huguely)

Turn out the light
Turn yourself over to me
Turn off the world
Turn my feelings free

Just enjoy the pleasure
For the pleasure pleases me
You've been turning me on all night long
Now it's my turn

You have reached the woman in me
Through the man in you
Let me be that woman
Before the lovin's through

You just turn yourself over to me
While I turn my feelings free
You've been turning me on all night long
Now it's my turn

All night long
I've been driven to your touch
Haven't had time to give
I've been taking so much

I know you want to hold me
But darling you've done enough
You've been turning me on all night long
Now it's my turn
