

# Reba McEntire, Read My Mind

(Keith Thomas/Melissa Coleman/Todd Moore)

A penny for my thoughts you say  
You want to know what I could be thinking  
But as I speak the music starts to play  
And the words just somehow slip away

Read my mind  
It will tell you that I love you and  
You're all I ever wanted in a man  
You'd see how I feel  
What my head won't let my heart reveal  
If only you could read my mind, read my mind

One look from you and one look at me  
I'm trembling like a little girl  
I tell myself if I can just believe  
Any day now you'll fall in love with me

Read my mind  
It will tell you that I love you and  
You're all I ever wanted in a man  
You'd see how I feel  
What my head won't let my heart reveal  
If only you could read my mind, read my mind

Tell me if you feel the same way I do  
And tell me that I'm not mistakenly taken with you

You're all I ever wanted in a man  
You see, all I need is everything you are to me  
If you could somehow read my mind  
You would see what I can't seem to say  
If only you could, if you would read my mind  
Read my mind
