

Reba McEntire, Whoever's In New England

(Kendal Franceschi/Quentin Powers)

You spend an awful lot of time in Massachutes
Seems Like every other week you've got a meeting waiting there
Business must be booming or could something else
Be moving in the air up there

You say that its important for our future
An executive on his way up has got to play the part
Each time duty calls you got to give it all
You've got with all your heart

When whoever's in New England is through with you
And Boston finds better things to do
You know its not too late 'cause you'll always have a place to go
When whoever's in New Englands through with you

I hear the winter time up north can last forever
Ive been told its beautiful to see this time of year
They say the snow can blind you till the world you left behind
Just disappears I hear

I packed your bags and left them in the hallway
But before you leave again theres just one thing you outta know
When the icy winds blow through you remember that its me
Who feels the cold most of all

When whoever's in New England is through with you
And Boston finds better things to do
You know its not too late 'cause you'll always have a place to go
When whoever's in New Englands through with you
