

# Rebecca Ferguson, Backtrack

I cant  
Go along with it  
You can say just what you like  
But you still did it

You backtrack and change your act at a hundred lies a minute  
But fool as I am I wont go along with it

Am I confused  
Am I a crazy person  
You say its' old news she doesn't mean nothing  
But don't you understand that I am heartbroken  
No matter what you do you just can't make it untrue

You're breathing lies I want to believe in  
when I'm watching you walk out the door I could fall through the floor

I cant  
Go along with it  
You can say just what you like  
But you still did it

You backtrack and change your act at a hundred lies a minute  
But fool as I am I wont go along with it

Too much to lose and its still raining  
I know its not a game  
so ill stop playing  
But oh my hearts on fire and it keeps burning  
And I don't mean to cry  
its just the smoke gets in my eyes

You're breathing lies I want to believe in  
when I'm watching you walk out the door I could fall through the floor

I cant  
Go along with it  
You can say just what you like  
But you still did it

You backtrack and change your act at a hundred lies a minute  
But fool as I am I wont go along with it

Let the battle drum start  
I wanna turn back the clock  
I wanna find the missing pieces of the whole love I lost

You say it like you mean it  
And I want to believe it  
Because I can't stop this feeling

I cant  
Go along with it  
You can say just what you like  
But you still did it

You backtrack and change your act at a hundred lies a minute  
But fool as I am I wont go along with it
