

Rebecca Lavelle, Understand Me

You,
you want it all and you think thats OK but you dont wanna wait,
it has to be today.

But I,
I've been around a long long time and I know what to do,
And it'll be just fine.

Understand me,
please,
understand me.

You,
think I dont care and I just dont respond if I listen to you.
I have my life to defend.
It's so easy to talk.
So much harder to do all the things that i have to do,
but i still need you to,

understand me,
please,
understand

Youre misunderstanding me,
I'm misunderstanding you,
I know whats real,
what can you do and what is the truth.
Youre misunderstanding me,
Im misunderstanding you,
Where does the meaning lie,
because you dont get it,
Dont mean i cant try.

You,
you had it all and you might walk away and that would be hard,
so how do i say,
that i need you to see and i need you to stay and i want what you want
but i still need you to, yeah i still need you to,

Understand me,
please,
understand me.
I still want to understand you,
I still need you to understand me.
Misunderstanding me,
misunderstanding you,
I know whats real,
What can you do and what is the truth,
Misunderstanding me,
I still need you to understand me.
