

# Recon, Choose this Day

[Ochoa / Roberts]

Wasted time my friend  
Don't you know we're in the bitter end  
He's coming back again  
To save us all from this world of sin  
Christ the Savior, He'll set you free  
Christ died for Sins  
Come and receive  
Rise  
It's your decision  
Choose this day whom you will serve  
Come and confess Him  
Jesus Christ  
The only way  
Ask Him in today  
Emotional leaders are coming down  
New Age logic  
That lies been around  
Religious society  
It's insanity  
A hope for you and me  
Christ the Savior, He'll set you free  
Christ die for sins, come and receive  
Rise  
It's your...  
Rise  
It's your... in your heart He'll stay
