

Red Hot Chili Peppers, Charlie

All aboard... stitch in time
Get yours... got mine
In a minute... I'll be there
Sit tight... get square

You can do it at the hippodrome
Slide back, trombone
Anybody got a TV tome?
That's right, unknown

When I pick up on that smell
Pick it up and run like hell
Little woman save me some
Better get up on your run

So much more than Charlie's wakin' me
To my core and Charlie's shakin' me
Tell my story and Charlie's making me
And Charlie's making me smile

Everybody... do the twist
Get the the message... on Flea's fist
Move around like a scientist
Lay down... get kissed

Big picture and it never lies
Big daddy will advise
Eveready in disguise
Sunset... sunrise

When I pick up on that smell
Pick it up and run like hell
Little woman save me some
Better get up on your run

So much more than Charlie's wakin' me
To my core and Charlie's shakin' me
Tell my story and Charlie's making me
And Charlie's making me smile

My heart, your skin, this love I'm in
We don't arrive without a suprise
You're right, I'm wrong, be free, belong
Intimate sight has come in to light

When I pick up on that smell
Pick it up and run like hell
Little woman save me some
Better get up on your run

All I ever wanted to
Was pick it up and run with you
Slip it into a summer spell
Double up and run like hell, ooh

So much more than Charlie's wakin' me
To my core and Charlie's shakin' me
Tell my story and Charlie's making me
And Charlie's making me smile, woah now

My heart, your skin, this love I'm in
We don't arrive without a suprise
You're right, I'm wrong, be free, belong
Intimate sight has come in to light

My heart, your skin, this love I'm in
We don't arrive without a surprise
You're right, I'm wrong, be free, belong
Intimate sight has come in to light
