

# Red Hot Chili Peppers, Never Flip

Back at the London dairy  
We drank it all too soon  
We drank to dysentery  
Numb to the pain, everybody rain

Got high on pink flamingos  
Santo will take a charge  
A list of long Domingos  
(Ah, ah, ah, ah)  
Come kiss that circuit breaker  
An image to enlarge  
Let's celebrate the quaker  
(Ah, ah, ah, ah)

Slow down the rivers of time in your mind  
It's just a nerve flip to switch when it's time for the grind  
Slow down the rivers of time in your mind  
It's just a nerve flip to switch when it's time for the grind  
Nerve flip

Ooh-ooh-ooh-ooh  
Ooh-ooh-ooh-ooh-ooh  
Ooh-ooh-ooh-ooh  
Ooh-ooh-ooh-ooh-ooh

The pain of growing younger  
Big balding of a tire  
The blitz and all its hunger  
Electrical fire, standing on a wire  
Song 5 for Curtis Mayfield  
This dancing's so alive  
The onion never stays peeled  
Everybody move, everybody glide

Stab me with colored pencils  
Backseat and butterflies  
A song for flesh utensils  
(Ah, ah, ah, ah)  
I've been adjudicated  
The court of social flaws  
Some other dude she dated  
(Ah, ah, ah, ah)

Slow down the rivers of time in your mind

Slow down the rivers of time in your mind  
It's just a nerve flip to switch when it's time for the grind

Slow down the rivers of time in your mind
