

# Red Jumpsuit Apparatus, Let you

Hey you  
Look what you do to me  
You bend and you bruise me  
While you try to control me  
But you don't own me  
How come you just wanna hurt me  
How come you just wanna push me  
I can't ignore you anymore  
Cause everywhere I turn you  
You burn me, you break me  
You always wanna take me  
Down with you  
What do you want from me  
I don't wanna be afraid  
I don't wanna run away  
I don't wanna be here fading  
It's more than I can take I'm never gonna be the same  
I threw it all away  
I don't wanna be here fading  
Just let go (Look what you do to me)  
Let go (Look what you do to me)  
Hey you  
Look what you do to me  
You hurt and you scar me  
With all that you tell me  
But I'm not listening  
You love me  
You hate me  
You always want to take me  
Down with you  
What do you want from me  
(I won't stay)  
I don't wanna be afraid  
I don't wanna run away  
I don't wanna be here fading  
It's more than I can take  
I'm never gonna be the same  
I threw it all away  
I don't wanna be here fading  
Just let  
You keep pushing me  
You keep using me  
You keep twisting me  
You keep breaking me  
You can't have me anymore  
You can't have me anymore  
You can't have me anymore  
You can't have me Let go  
I don't wanna be afraid  
I don't wanna run away  
I don't wanna be here fading  
It's more than I can take
