

# Red Velvet - IRENE & SEULGI, Monster

My move is unique  
Not ordinary  
1 2 3 to 7  
I am a Dancer in the darkness

I'll crack every joint in my body  
And come closer to your bed  
I'll horrible steal your heart  
And dominate you

Under a single lightening  
Why are there two shadows?  
I guess something else woke up inside me

I am a little monster  
Be scared of me  
I am bothering you  
making my dream only about me  
I'll dance and play as I cast a spell  
on your body in a nightmare  
I am a little monster
