

# Redd Kross, Debbie & Kim

I ask you "Where am I," you tell me tomorrow  
I am confused by this - your patience I must borrow  
Well, I ask this horse his name, but he gives me no answer  
The girl with golden hair tells me she is a dancer

Tell me when it's three o'clock  
Four I've got no time to watch  
And can I play their game - ?  
I won't get lost - forget my name

Everything happens for a reason  
Tell me what else can I say  
And I just gotta believe it  
And I do - I know it's true

Electric sonic youth directs me towards the sun  
Two girls with yellow hair assure me that it's fun  
Well one plays bass, and the other one, well, she's the dancer  
I fall out of the blue and ask to be their sister

There was magic all around  
If I do say so myself  
And can I play their game?  
I promise not to get lost - I won't forget my name

I'm just looking for a good thing to happen  
Something really insane  
And I'm just looking for a good thing to come my way  
Anything - come today

She waves her flag, the crowd screams "more";  
By this time it is the third encore  
But they just don't know  
They just came to see the show

A standing ovation  
Breadwinner... electric bass yeah!

Everything happens for a reason  
Tell me what else can I say  
And I just gotta believe it  
And I do - I know it's true

Hey hey hey hey hey hey hey hey hey hey hey hey

I'm just looking for a good thing to happen  
Something really insane  
And I'm just looking for a good thing to come my way  
Anything - come today  
And please - come - today
