Redfoo, New Thang

Oh, the way that you pop, girl
Makes me go cray, show me whachya got, girl!
You could be my new thang
Oh, the way that you move
Makes me go cray, do ya luv that drop, girl?
You could be my new thang
Get saxy, girl, get saxy
Get saxy, girl, get saxy
Get saxy, girl, get saxy

I heard it's yo birthday
Grab a drink if ya thirsty
I can see that ya need an OG
That can do ya the beast and the worst way
Pop it like a go-go
Drop it like a low-low
What's that? It's a go-pro?
So I can watch that back, HD- Slo-mo

I don't care if it's the first beat I'll take ya back to my place We can skip first base Cuz a playa like me Tryna slide into home plate Clap clap, make it clap Lights on, lights off Make it clap Yeah Make it clap My name ain't Santa But she sittin' on my lap

Oh, the way that you pop, girl
Makes me go cray, show me whachya got, girl!
You could be my new thang
Oh, the way that you move
Makes me go cray, do ya luv that drop, girl?
You could be my new thang
Get saxy, girl, get saxy
Get saxy, girl, get saxy
Get saxy, girl, get saxy

I heard that ya single Now ya talkin' my lingo Let's play casino Bring four friends plus you Bingo! ye ain't nuttin' but a flirt The way ya bouncin' in that shirt It's amaxin' how ya drop it Pick it up and still make it work Yo body lethal, I might LA freak ya Goddamit, that booty fast Sittin' high up on yo back What the fuck did they feed ya? Clap clap, make it clap Lights on, lights off Make it clap Make it clap My name ain't Apple But they call me the Mac

Oh, the way that you pop, girl Makes me go cray, show me whachya got, girl! You could be my new thang Oh, the way that you move Makes me go cray, do ya luv that drop, girl? You could be my new thang Get saxy, girl, get saxy Get saxy, girl, get saxy Get saxy, girl, get saxy
