

# Redlight King, Comeback

Many times I've walked the line  
I've rolled the dice and questioned my life  
Many times I sacrificed and dealt with the pain  
I've been down this road before  
Where the dead ends are  
It rains and it pours  
I've been down below and  
It's the price that I paid

I know how it feels when you have to start again  
Now there's no one to save me  
I know how it feels when the world is gonna end  
But they'll see

I'm gonna make a comeback  
I'm gonna dig six feet up tonight  
I'm gonna get it all back  
I'm gonna make a comeback this time

Look into my eyes you'll see  
A graveyard filled with dirt and defeat  
Look into my eyes you'll see  
The weight on my soul  
Where the fallen angels sleep  
The crooked hearts and the crossroads meet  
Where the haters say my name  
And carve it in stone

I know how it feels when I haven't got a friend  
Even when they're standin' beside me  
I know how it feels when the world is gonna end  
But they'll see

I'm gonna make a comeback  
I'm gonna dig six feet up tonight  
I'm gonna get it all back  
I'm gonna make a comeback this time

Risk it all, I'm gonna risk it all  
I'm gonna break my back and risk it all  
I'm gonna pick my spot, take my shot,  
Swallow my pride and risk it all  
I'm gonna risk it all  
And I won't look back  
I'm gonna pick my spot,  
Take my shot, swallow my pride  
And risk it all

The light's on, the last round  
The dark horse keeps on fightin'

I'm gonna make a comeback  
I'm gonna dig six feet up tonight  
I'm gonna get it all back  
I'm gonna make a comeback this time  
I'm gonna make a comeback  
I'm gonna dig six feet up tonight  
I'm gonna get it all back  
I'm gonna make a comeback this time

I'm gonna make a comeback this time  
Yeah, a comeback, a comeback  
I'm gonna make a comeback this time  
I'm gonna comeback, I'm gonna comeback

I'm gonna comeback  
I'm diggin' up six feet tonight
