## Rednex, Where You Gonna Go

Willie Billie, Willie Billie Where you gonna go Say Willie Billie, Willie Billie Where you gonna go Willie Billie, Willie Billie Where you gonna go When your bill is not playing playing

Willie was a musical guy playing a nose that almost touched the sky He waited to go on an audition to play for Rednex But did he play well - no no no Did he rock the bill - no no no

Willie Billie...

Where you gonna go
Where you gonna go Oh Willie
Where you gonna go
To play your giant nose

When he was about to perform madly He caught a cold before badly And sprayed us like a waterfall sadly And said now I will - go go go Me and my bill - go go go

Willie Billie...

Where you gonna go...
