

Reel Big Fish, We Care

thanx for the money thanx for dancin' and singin' along and everything you do we
just want you to know we care (we care) thanx for calling us sell outs and not
takin' a joke and talkin' \$#!% and covering us with spit we're so glad to know you
care (we care) and we're sorry that so many
people got to enjoy our music, by hearin' us
on the radio we love you we love you because
you really understand we love
you we love you alot how
could we not we'll say it again
we love you we love
you because you really
understand we
love you we
we love you
alot we
always
thought you
liked our band
i'm not talkin'
about everybody i'm sorry
to waste
a song and your time like this
were so lucky to have you there
(we care) cuz we know that
some of you get it and you're not
ashamed to admit it
that you're still with us after
all we love you we love you
because you really
understand we love you we
love you a lot how could we
not well say it again we love
you we love you because
you really understand
we love you we love
you alot we always
thought you liked our
band we love
